

Ref: MLZS/GKP/2017-18/OSC-Cir./30/ Disp. No.-45

Date: 28/12/2017

Dear Parents,

Greetings from MLZS for New Year 2018!!!

Thank you for supporting in the year 2017 for making our school the best in the city. We request you to feel always comfortable and continue your support in coming year 2018 also. We respect all our honorable parents and value their feedback for the growth of our school.

School management has taken the following initiatives in year 2017:

(01) **Interaction via Social Media:** We have already connected our respected parents with the social media like Email Id, WhatsApp, Facebook and school website.

(02) **Visit to Aurangabad for Terracotta:** Our students have visited Aurangabad, Bhhathhat, District-Gorakhpur, which is famous for Terracotta on 10th October 2017. This place is world famous for its Terracotta work. Children and staff were very much excited to see the craft work of the craftsman at Aurangabad. One of the craftsman nearly 70 years of age was explaining enthusiastically to our students and staff about the Terracotta work. Terracotta of Gorakhpur is not just a means of livelihood or skill, it is an art nurtured for generations. Clay craft is a clay based unglazed ceramic, were the fired body is porous and red in colour.

(03) **Educational Field Trip:** We have conducted educational field trip to different places to understand the concept of learning with the nature and to inculcate Social and Collaborative Skills among our students.

(04) **Visit to Sohagi Barwa Wildlife Sanctuary:** Our school has taken initiative to develop Eco-Tourism with the collaboration of Uttar Pradesh forest Department and Sohagi Barwa Wildlife Sanctuary, Maharajganj District in Uttar Pradesh. Sohagi Barwa Wildlife Sanctuary is one of the habitats of Tiger in Uttar Pradesh. Nice place to visit and touring in U.P. created by GOD, all surrounded by river, big trees etc. We are grateful to the Uttar Pradesh Forest Department for granting us permission to visit Sohagi Barwa wild life sanctuary on Saturday 18-11-2017 to develop the Eco-Tourism and to connect with the nature. Our children have learned about the Eco-Tourism and understood the importance of Plants and environment in our daily life. They have taken active part in making environment clean and insured that they will keep themselves neat and clean and follow the "Swachhta-Abhiyan".

(05) **Visit to Airforce Station:** Our children visited the Air Force Station Gorakhpur to learn and understand the display of Air Force activities on Tuesday 31st October 2017 and to know the motto of the Indian Air force "Touch the sky with glory" which has been taken from the 11th Chapter of Shrimad BhagvatGeeta, the discourse given by Lord Krishna to Arjuna on the battle field of Kurukshetra during the great war of Mahabharata where the Lord Krishna is showing the supreme divine form to Arjuna and the great form of the Lord is reaching the sky with glory, evoking fear and loss of self-control in the mind of Arjuna. The Indian Air Force, similarly aims to overwhelm the adversaries with the application of aerospace power in defence of the nation. Our aim is to put seed into the mind of every child at Mount Litera Zee School, Gorakhpur to become an officer in Indian Air Force where they can enjoy adventures, challenging and rewarding life. When they grow they get many opportunities in the Indian Air Force in their own way like a chance of specialized training in India and abroad, option to study further as per their interest, possibility to get posted in Indian missions abroad. Children were highly motivated about the Air Force activities like para-jumping, helicopters, fighter planes, planning of air force to save the country.

(06) **Dussehra & Diwali Celebration:** Our students have presented programmes based on the theme and learned our Indian culture to make our society understand the concept of Shree Ram Rajya. As we know Lord Rama has won the battle with the evil King of Lanka, Ravana. Ravana was defeated and killed by the Lord Rama on the day of Vijaydashmi. We burn every year Ravana on Vijaydashmi to kill the evil present in the society. But every year Ravana gets up again in the mind and spoil our morality. At our school, we have celebrated Durga Pooja and Diwali which sparkled women empowerment by presenting the programs based on NavDurga Shakti. Programs of Diwali were based on festival of light to bring prosperity and peace in everyone's life as well as in the society.

(07) **Christmas Celebration:** Our students have celebrated Christmas with joy and cheer. We have conducted special assembly on the theme of Christmas. Children were dressed as Santa and enjoyed the celebration. We have conducted house wise Dance, Christmas carol and our little Santas distributed Gifts to the students. School building was decorated on the theme of Christmas.

(08) **Teacher's Capacity Building Program:** The school has taken initiative by conducting Teacher's Capacity Building Program on 05th December 2017. The team of experts from Zee Learn Mumbai guided our teachers with the motto of "Think True Education with Personalized Learning, Think Zee Learn".

(09) **GPS Tracking System:** Student's safety is our first priority and that is why we have installed GPS Tracking system in all the vehicles. Which could tell you the exact location of the vehicles. We have already installed GPS in our school buses to ensure the safety, security and convenience of the students using this facility. GPS Tracking system will help you to track the school bus route after every 10 seconds, which is already being monitored by the school transport department at regular intervals. You can also monitor the bus route of your ward. You are requested to download Swastik Trackers app through Playstore in your mobile and collect username and password of GPS from the school office or class teacher and start tracking bus route of your own ward.

Holiday Assignment: Home Assignment for Winter Vacation is already given to your ward. You are requested to make sure that your ward completes the holiday homework and submit it on 08th January 2018 itself to their respective subject teachers. It is also available on the school website www.zeeschoolgorakhpur.com

Winter Vacation: Winter vacation for classes I to XII will be from Friday, 29th December 2017 to Sunday 07th January 2018 and school will reopen on Monday, 08th January 2018.

Admission for new Academic Year 2018-19: Admission Procedure for new Academic Year 2018-19 is already started from 1st December 2017. Admission forms are available at school website and office. Please inform to your friends and relatives.

For further queries please contact on 0551-2230063, 9140540066,

Once again Happy New Year!

Thanking you,

Regards

(M. P. Pandey)
